### Student Programming Advisory Committee

The 2nd meeting is tomorrow and there will be food!

Currently, we have representation from different identity centers and groups around campus, but do not have any representation from fraternity and sorority life. Given 12% of the campus population is greek-affiliated, we greatly value the perspective of your members. The students on the committee will give feedback and input on Aztec Nights and SDSU Go! field trip events, as well as give input on potentially new program ideas.

We would love to speak for 3 minutes at your delegate meetings, if this is something that you would be open to please let us know!

Either way, if you could please share the message below in your meetings and group chats:

"Ever wanted to give input on large-scale campus events, like Aztec Nights? Do you have ideas or feedback? We want to hear from you on our Student Advisory Board!

Given 12% of the campus population is greek-affiliated, we greatly value the perspective of our fraternity and sorority affiliated students. The students on the committee will give feedback and input on Aztec Nights and SDSU Go! field trip events, as well as give input on potentially new program ideas. There will be opportunities to give feedback on a variety of topics, from event ideas and swag items to safety and event timing. We are planning our summer and fall schedule and are excited to include students in that process.

The meeting dates for this semester are as follows:

- Tuesday, March 21st from 2:30-4pm
- Tuesday, April 18th from 2:30-4pm

They are all in the Commuter Resource Center, suite 210 in the student union right before the Glazer Center. Food and/or a gift card for participation at each meeting will be provided.

Ready to sign up? Contact Michelle at [mhalverson@sdsu.edu](mailto:mhalverson@sdsu.edu) or DM our Instagram, [@aztecnightssdsu](https://www.instagram.com/aztecnightssdsu)"
