Delta Zeta Re-establishment Proposal: [Proposal](#)

Sophie: I would like to entertain a motion to approve that the proposal for Delta Zeta Re-establishment Proposal be approved. This vote will be taken on April 24th.

Morgan Anapolosky, Alpha Chi Omega delegate moves to approve the Delta Zeta Re-establishment Proposal to be voted upon April 24th. Seconded by Annie Deal, Pi Beta Phi Delegate.

Extension Report Presentation: [Report](#)

Sophie: I would like to entertain a motion that our community should open for extension, with a new chapter to be established in Fall of 2024 at the earliest. This vote will be taken on May 1st.

Avery LeBlanc, Alpha Gamma Delta delegate moves to approve the motion that our community should

open for extension with a new chapter to be established in the Fall of 2024. Seconded by Kayla Mendoza, Gamma Phi Beta delegate.

Questions:

Can multiple chapters be added at once?

No, the Extension process can only yield one chapter at a time. In order to get an additional we would need to undergo the process again.

Is there any time frame on when the new chapter would be established?

At the earliest Fall of 2024, the process of Extension takes 12-18 months

Will this process need to be redone when Delta Zeta decides they want to return to campus?

Yes, at any point when Delta Zeta feels they are ready to return, our campus will need to determine again whether they are able to bring back a new chapter through the extension-exploratory process.

Are we allowed to share this information with our chapters?

Yes! It is required by NPC that the report is shared with your advisors and general chapter members.

Is it okay for us to send the proposal in our chapter groupmes?

Yes! We would love if you could send it in your chapter groupmes for transparency.

What is required to be sent to advisors?

The report itself.
