- Wishmakers On Campus
 - The purpose of WishMakers on Campus is to carry out the mission of Make-A-Wish®San Diego, which is “Together, we create life-changing wishes for children with critical illnesses.” The specific goals of WishMakers on Campus are to provide San Diego State University students the opportunity to volunteer, foster leadership skills, learn money management, encourage community involvement, and fundraise and lead projects to fulfill the mission of Make-A-Wish San Diego. Our goal is to grant one wish per year which costs on average \$10,000. This money will make a life-changing wish come true for a child with a critical illness.
 - GROUPME MESSAGE FOR YOUR MEMBERS: “Attention everyone! We are excited to announce the first meeting of a new club on campus, Wishmakers on Campus. Our club's mission is to fundraise alongside Make-A-Wish San Diego to grant one wish per year for a child with a critical illness. This life-changing wish costs on average \$10,000, and our goal is to make it a reality.

We invite you to join us for our first chapter meeting, which will take place on March 7th at Professional Studies 325 at 8 pm. During the meeting we will discuss our purpose, fundraising ideas, and ways to get involved in making a difference in the lives of children with critical illnesses.

Don't miss out on this opportunity to be a part of something truly special. We hope to see you there!

Once the Presence submission is reviewed the Chapter President and Alumnae/i advisor will receive a document for e-signature. The process is not an approval of the event, but rather the chapter sharing details of the event and affirming acknowledgement of relevant policy and process. The form needs to be submitted **3 weeks before the event date.**

- Any event where alcohol is planned to be present must be registered with a completed Attestation form (sent through Adobe for an e-signature for the Chapter President & Advisor)
